Are You Registered with CAQH?

ASH works directly with the **Council for Affordable Quality Healthcare (CAQH)**. Once we receive your ASH Practitioner Services Agreement signature page, we will be able to download your application directly from CAQH. If you have not already selected global authorization, please log into your CAQH account, click the Authorization tab, and select American Specialty Health, Inc. from the list. Doing this will authorize ASH to access your application information. Apply today by completing, signing, and returning the ASH signature page, Attachment A, and W-9 form, along with your CAQH identification number, and we will begin the credentialing process.

Ready to Join?

On the last page of your Contracting Kit CD, we have included a checklist to help you with the application process. By using this checklist, you can ensure that you include all the necessary documentation and forms required for you to join.

All the documents you will need to complete are on the "Ready to Join?" tab of the CD as well. Fill out the application or your information on CAQH and other required documents, and return them to ASH.

Call our Practitioner Recruitment department at 888.511.2443, option 1, if you have any questions about joining ASH or need help filling out your application.

Representatives are available to assist you Monday through Friday from 8 a.m. to 5 p.m. (Pacific Time).
