

Policy: Use of Industry Standard Code Sets

Date of Implementation: July 14, 2005

Product: Specialty

American Specialty Health – Specialty (ASH) uses current industry standard coding sets including the International Classification of Diseases (ICD), Current Procedural Terminology (CPT), and Healthcare Common Procedure Coding System (HCPCS), for reporting diagnoses, procedures, and other services. ASH’s use of such coding sets does not imply endorsement by the World Health Organization, the American Medical Association, or any other entity of ASH or its policies and procedures.
